

27 April 2010

Dear Parent

Following on from the success of the initial session, we are pleased to offer again a Judo practice on Friday, 7 May 2010. The session will be led by qualified coaches and it is hoped that interest generated at this and the previous session will create a 'Gateways School Judo Club'. The club will meet once a week, focusing on the development of Judo skills for all individuals and, ultimately, grading the members through the belt system.

In this instance the taster session will be free so it gives everyone the opportunity to experience this ancient martial art.

The time of the practice will be from 3.45pm until 5.15 pm. If your son/daughter needs to go to 'Sundowners' after this time, then please indicate on the reply slip. This aids organisation of the group.

If you would like your son/daughter to participate in this activity please would you complete the reply slip below and return to the Form Tutor at your earliest convenience.

Many thanks for your continued support.

Yours sincerely

Nick Box  
Director of Sport
