Dear Parents

Children in Foundation spend a significant amount of time in the outdoor learning environment. As the weather improves it is important to protect their delicate skin from sun damage.

Please provide suitable sun protection cream clearly labelled with your child's name. An application before school would be appreciated as this would enable staff to use their time more productively.

Further applications can be added throughout the day as necessary. In order to do this we require your permission. Please sign and return the slip below.

Yours sincerely

Mrs C Bartle  
Head of Pre-prep
