

23 April 2010

Dear Parent

To support girls in their study of Maths, the department offers two clinics every week. The clinics are to help girls catch up on work they may have missed due to absence, go over topics they may not have understood fully in class and to provide further help with their homework where necessary.

The department is aware that the girls have many commitments, both inside and outside school and therefore the days and times of the maths clinic change weekly. The proposed dates and times until the end of term are as follows.

Monday 26th April 1.15pm
Tuesday 27th April 4.00pm
Tuesday 4th May 1.15pm
Wednesday 5th May 4.00pm
Wednesday 12th May 1.15pm
Thursday 13th May 4.00pm
Thursday 20th May 1.15pm
Friday 21st May 4.00pm
Monday 24th May 1.15pm
Tuesday 25th May 4.00pm

I hope that you will find this information useful so that you and your daughter can plan when she may attend.

If you would wish to discuss this information, please do not hesitate to contact me.

Yours sincerely

Mrs D Kennedy
Head of Mathematics
