

14th December 2018

To Parents of U5 Pupils taking GCSE Triple Science

Dear Parents,

CGP have now published various revision resources for the new specification which may help your daughter in preparing for the final examinations. These include additional full sets of practice papers with mark schemes, books with short ten minute tests and work books aimed at pupils who have target grades 8-9. We can purchase these resources at a discounted price through school.

If you would like to order any of these resources through school, please indicate on the reply slip below. The slip should be returned to school by Friday 11th January.

Yours sincerely,

Kim Ashurst
Head of Science

To Mrs Ashurst
