

21 March 2017

Dear Parent,

Your child has been offered the opportunity to take part in something amazing – a school expedition to **Cambodia and Laos** in **2018** with Outlook Expeditions; the leading independent provider of youth expeditions.

Taking part in an expedition is so much more than a school trip. This is a journey that will stay with your child forever. Eye-opening, challenging and truly life changing; participants experience different cultures and environments whilst developing an array of life skills.

Universities and employers are increasingly looking for evidence of personal and social skills. Expeditions take young people out of their comfort zone and expand horizons whilst boosting independence, confidence, teamwork and many other qualities that have a lasting impact on the lives (and CV's) of each participant.

Outlook Expeditions will be holding an Information Evening on the **26<sup>th</sup> January 2017 at 6:00pm** and we'd be delighted if you and your son/daughter could join us. It will be held at **Gateways School** and is your chance to find out more and ask any questions. The evening is for your information to help decide if joining the expedition is right for your child. There is no obligation at all associated with attending the Information Evening.

To register your attendance or if you are unable to attend but still wish to receive the information please visit [www.outlookexpeditions.com](http://www.outlookexpeditions.com) and click on the 'Parents and Students' bubble.

Yours faithfully,

**The Outlook Team**
