

GATEWAYS ETHOS, AIMS AND VISION

Our Ethos

Gateways School is proud of its history and embraces the values of tradition but it is not willing to stand still. The gates are open to everyone and we offer a personal education that places individuals at its heart and allows everyone to shine.

We aim to:

- teach an excellent academic programme, with high standards and high expectations, so that each pupil may secure the best possible qualifications;
- to offer strong personal development through our diverse and enriching opportunities allowing pupils to grow and to flourish in and out of the classroom;
- to work together so that pupils in Early Years, Prep, High School and Sixth Form are side-by-side, as one school community;
- ensure a seamless transition across all areas of the school with a strong home-school partnership;
- foster a happy, safe and secure environment for all;
- develop caring relationships based on mutual trust and respect that support and encourage each pupil allowing them to grow in confidence, and
- praise and celebrate success.

Our Vision

- to be regarded as one of the top schools in the area in respect of our educational and pastoral provision and to be well known for the strength of our supportive environment which exists for the benefit of every member of the Gateways community.
