

Dear Parents,

As you will be aware, over the next few weeks we have a number of public events happening in school. Due to the recent inclement weather, the additional parking space on the school field has deteriorated and is becoming unsafe to use. We have therefore taken the decision to close off this area on the grounds of safety and so that it can be repaired in time to use for Sports Day, Prize Giving and the PFA Ball.

Please can we request that, whenever possible, High School parents adjust the timing of their morning drop off to avoid the busiest period (8:20:830am) as the High School pupils can come in early and have access to their form rooms. Similarly at the end of the school day, it would be enormously helpful if High School parents could make use of the Homework Club in order to avoid the busiest afternoon period (3.45–4:10pm).

Outside of the times mentioned, the car park is lovely and quiet and your help in this matter would be hugely appreciated.

Kind Regards

Gateways School
