Dear Parents

DUKE OF EDINBURGH AWARD SCHEME

Applications will close after half term for the Silver and Gold Duke of Edinburgh Award Scheme. Whilst quite a few application forms have been collected, none so far have been returned. Should your daughter wish to participate in this worthwhile scheme we do need to receive the completed application so work can begin.

Silver and Gold meetings are held on Tuesday evening from 4:00pm to approximately 5:00pm and are compulsory. Applicants are required to attend a minimum of 80% of these meetings in order to complete their expedition preparation. In addition, applicants do need to start their skills, volunteering and exercise programmes as soon as possible to accumulate the required hours.

If it is your daughter's intention to start the Silver or Gold Duke of Edinburgh Award Scheme, please return the application forms by Monday 5th November. The first meeting for both awards will take place on Tuesday 6th November at 4:00pm.

Yours sincerely,

T Sockett
