Dear Parents

UCAS HIGHER EDUCATION FAIR – Leeds Beckett University

As part of the Careers programme in the Sixth Form, we have arranged for all Lower VI pupils to visit the Higher Education Fair on the morning of Wednesday, 19 June.

Most universities from across the country will be represented at the Fair, and there will be opportunities to attend seminars covering a wide range of higher education issues and subject areas. The girls will receive information on all the available seminars beforehand, and advice on how to gain maximum benefit from the Fair.

The coach will leave school at 9.10 am and return at approximately 12.00pm, in time for Sports Day in school. There will be no charge for this event as we consider attendance is an essential part of the higher education decision-making process.

Please let me know if there are any reasons for your daughter being unable to attend this event.

Yours faithfully

Mrs M Sharrock

Careers Coordinator & Adviser
