

Friday 10th May 2019

Dear Parents,

Over the coming months your daughter, assuming she wishes to attend university, will be completing her university course research and her UCAS (University and College Application Service) application.

To aid her in the decision-making process, and to help structure her application, we have arranged an evening of presentations about the process. We would also like to invite parents to give you an insight into the application process and to answer any questions you may have about Higher Education or careers in general.

This year's UCAS and Careers Presentation Evening is on **Monday 10th June** and will begin at 6.00pm in the PAC with a presentation on 'Choosing What and Where to Study'. This will be followed by a brief presentation about the 'Apply 2020' process and how to write a personal statement. Naturally it is vital that all the girls attend.

For those interested in entering the world of work, Mrs Sharrock, our Careers Adviser, will give a short presentation and also be available for informal discussions.

The evening should conclude around 7.30pm.

Refreshments will be served during a short interval.

If you would like to attend please return the slip at the bottom of the page by Friday 24th May.

Many thanks,

Martin Davison
Head of Sixth Form
