

Transport and People Who Help Us

Our topic this half term is Transport and People who Help us. The children have been looking at traffic lights and their colours and shape. They used a circular cup to make patterns on card to make traffic lights and used coloured card to control the traffic in the Gatehouse garden. They held up the cards and shouted, "Stop", "Get ready" and "Go!"

We have been singing transport songs and helping our friends get better using the doctor's set.
