

21st June 2019

Dear Parents

UPPER 3 COASTAL VISIT: 2nd JULY 2019

As part our efforts to support our chosen charity for this year, Plastic Oceans, we are planning an end of year visit to the coast. We will travel by coach to Bridlington where Upper 3 will engage in a beach clean-up. All equipment will be provided. After this they will head into the town to carry out a planned activity to assess the problem of litter and the recycling provisions in Bridlington. They will then spend Wednesday back at school carrying out some analysis of their findings and present this to the other year groups.

We are very much looking forward to this activity as it will be a real opportunity to make a noticeable difference to the environment and allow pupils to appreciate the extent of the problem. Pupils will return by coach and they will be back in school for 4.00 pm.

Your daughter needs to come dressed in suitable clothing and waterproof footwear. Please prepare for varying weather conditions including suncream or warm clothing including hats, gloves and scarf.

A school packed lunch will be provided but they are welcome to bring a small quantity of money to spend whilst in the town. A suggested amount should be no more than £10.

Mobile phones will be collected as normal at the beginning of the school day and returned at 4.00 pm.

Please return the attached slip as soon as possible with the payment of £20.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Dr S Newton
