Dear Parents

**AQA SCIENCE GCSE REVISION AND PRACTICE BOOK**

Your daughter has now attended her first lessons of GCSE science. CGP have published three excellent revision guides with practice questions and answers. These are designed specifically for the AQA GCSE Science that we follow at Gateways. These books will not only be an invaluable resource to help with revision in preparation for the examination, but also will provide support with your daughter's homework and further examination practice questions throughout her science lessons.

I highly recommend that you purchase these resources to aid your daughter's progress in science. We can buy the revision guides through school at a highly discounted price of £5.50 each. I intend to place an order for three revision guides for each girl in Upper 4 and the charge of £16.50 will be added to your account.

If you wish to pay for the books separately, please contact [finance@gatewaysschool.co.uk](mailto:finance@gatewaysschool.co.uk)

Yours sincerely

Kim Ashurst  
Head of Science
