

21<sup>st</sup> June 2019

Dear Parents

**UPPER 4 VISIT TO THE DEEP – 2<sup>nd</sup> JULY 2019**

As part our efforts to support our chosen charity for this year, Plastic Oceans, we are planning an end of year visit to The Deep Sea-Life Centre in Hull. We will travel by coach where Upper 4 will engage in planned activities to investigate the extent of plastic pollution. Whilst there they will carry out research to find out the impact pollution is having to all aspects of life in the seas, oceans and coastlines. They will then spend Wednesday back at school carrying out analysis of their findings to present this to the other year groups.

We are very much looking forward to this visit as it will be a real opportunity to explore the problem of plastic pollution away from the classroom and to learn how we can continue to make positive differences to the way we use plastic. Pupils will return by coach and they will be back in school for 4.00 pm.

A school packed lunch will be provided but they are welcome to bring a small quantity of money to spend whilst at The Deep. A suggested amount would be no more than £10. Pupils are allowed to wear their own clothes for the day.

Mobile phones will be collected as normal at the beginning of the school day and returned at 4.00 pm.

Please return the attached slip as soon as possible with the payment of £20.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Dr S Newton
