

## Extra-curricular badminton

The badminton club is now well underway and we have certainly been busy over the last few weeks. Mrs Wilson and I have been impressed with the enthusiasm and competitive spirit of everyone involved. There have certainly been some close matches, great rallies and impressive partnerships.

It has been lovely to see pupils of all ages playing against one another as well as focusing on improving their technique.

I hope the pupils are having as much fun playing as we are watching the matches.

Mrs Kirsty Boyle
