

## Looking forward to our visit from author Chris Priestley

High School pupils are very excited about our prospective visit from the renowned author, Chris Priestley on Monday 6<sup>th</sup> February. This is the first time we have been able to invite an author into school since the Covid restrictions and all pupils in Upper 3, Lower 4 and Upper 4 have been very busy preparing for this special event which will link into World Book Day celebrations in March. This week, pupils have been researching Chris's work and finding out about his inspirations for writing and his chosen genre. Pupils have also read examples of his stories and have chosen a book which will add to their collections at home.
