

## Lower 4 Spanish show their competitive spirit

Lower 4 Spanish were in a competitive mood in an end of year game of Blooket. With a total of 243 words, they were testing their knowledge against their classmates to see what they had remembered from this year in Spanish. To make it a bit more exciting and to protect their identity, their usernames were different teachers in the school. The winner in Lower 4M was Mr Bahcaci, with Mr Holmes and Dr Neto coming second and third. The winner in Lower 4C was Mrs Braithwaite, with Mr Adegboro and Mrs Hamlyn coming second and third. Needless to say I finished ninth and tenth respectively - maybe I'll do better next year!
