

Upper 3 English: Poetry Anthologies

My 'mini' Upper 3 English set are currently in the process of compiling their very own collections of poetry.

These collections will include haiku, limericks, odes, metaphor poems, ballads and even sonnets. Each poem will also be accompanied by an author's note citing their knowledge and inspiration behind each form.

We hope parents will enjoy reading the results when they are printed at the end of the summer term.

Miss Nina Logue
