

## Blood Brothers

Upper 4 have been studying the play 'Blood Brothers' by Willy Russell in the drama lessons this term. Blood Brother is a musical revolving around the fraternal twins Mickey and Eddie, separated at birth; one being raised in a wealthy family, the other in a poor family.

For their final assessment they were marked in three different areas:

- Directing
- Vocal and physical performance
- Writing from an actors point of view

Upper 4 created some fantastic group performances of the famous monologue 'I wish I was our Sammy'. Their creativity and group work was outstanding.
