Travel	
Travel/accom	£ 1,031.00
visit	£ 169.46
Excursion	
<b>Grand Total</b>	<b>£ 4,000.51</b>

Upper 4 have been working on a unit which develops digital literacy skills.

They were set the task to plan a 4-week gap year holiday on a budget they have combined spreadsheets, pivot tables, research work and a Sway presentation to explain their plans. Destinations included Europe, India, Jamaica and South Africa.

Many university graduates now choose to take time out to travel and this unit is designed to show Upper 4 how they can find out a vast amount of information online to help plan a visit.
