SCHOOL

Autumn has come to the Nursery

This week the Gatehouse children have been welcoming Autumn! They have enjoyed showing off their special 'treasures' collected outside with their families, and exploring the different textures and naming colours. We arranged and glued them into lovely collages which are displayed in nursery. We have been playing instruments and singing songs about the weather like 'Autumn Leaves are Falling Down' and 'Rain, Rain, Go Away'.

All of the children have continued to settle and play together beautifully, and have had lots of fun dressing up in fun shoes, hats and bags inside, and our coats and wellies for outside.

Have a good weekend!
