

## Lower 3 pupils are writing articles too...

This week members of Lower 3 have finished reading the very enjoyable *The Lion, the Witch and the Wardrobe*. The classic tale includes a thrilling ride on Aslan's back to rescue those who have been turned into stone.

We watched a video of the Incredible Hulk rollercoaster ride and imagined just how exciting it would be to ride on a lion's back. It was then we decided to create our own theme parks....

Drawings and maps sketched out we then decided that writing an article about our visit to the imaginary theme park might be fun and pupils worked busily to construct articles for a school magazine about the highlights of an exhausting but highly enjoyable Gateways excursion to the recently opened Narnia World. I think we have several budding designers and journalists in our midst!

Good luck Lower 3 with all the reading and writing that you will be doing in the run up to Christmas!

Mrs Alison McKeefry and Mr Martin Davison
