### Visiting Boston Spa

This week, on Thursday morning we boarded the school minibuses and headed over to Boston Spa. Decked out in high-vis jacket and rucksacks we set off for Boston Spa. Our first stop was visiting St Mary's church where we were greeted by Father Nick. Inside the children were tasked with looking for objects including gargoyles, the church clock and a very large key. We added some items to the food bank and stopped for a snack.

Navigating our maps, we took to the direction of the river towards the centre of Boston Spa where our next stop was the post office. The children each bought a stamp and posted their Easter cards home. Putting into practise our 'Stop, Look, Listen and Think' road safety rules was high on the agenda. The children then directed their way to our final destination, the park, where we finished with an Easter hunt and of course a play on the equipment. We safely arrived back at school in time for a picnic lunch. The behaviour of the children was impeccable and a great time was had by all.
