

High School & Sixth Form

Art exhibition on the horizon

To describe this year as challenging for pupils and for art education as a whole, feels inadequate, trite even. And yet here we are, with an exhibition about to happen because despite all the difficulties, students have always found a way to make art.

Extracurricular sessions are on every night till 6pm. We are very proud of our students who are working hard to complete all their work in time for a virtual exhibition. Watch this space!
