

CCF basic navigation assessment

On Monday, the Gateways Combined Cadet Force (CCF) basic platoon undertook a navigation exercise in the area surrounding Harewood estate to progress them further towards their red star achievement. Starting at Eccup reservoir, the group travelled together through forest paths and open fields before finishing in Harewood estate. The cadets used their skills in map-reading, navigation techniques, and teamwork to complete the task, and not even chilly showers of rain could spoil the day. The whole experience was a lot of fun and we all thoroughly enjoyed an ice cream at the end at the Muddy Boots café!
