

High School cricket returns to Harewood CC!

Prior to the Covid-19 pandemic, Gateways School had set up a partnership with St George's Church Cricket Club who play their home fixtures in the beautiful grounds of Harewood House. Unfortunately, the pandemic meant that the relationship was put on hold however, we are delighted to say that normal service has now resumed.

Last week, the high school boys walked over to the cricket club and played their first practice match of the season and we hope that we will be able to resume inter-school fixtures at the same venue following the half term break!

It goes without saying that we are hugely grateful to the Harewood estate and to St George's CC for kindly, allowing us to play in such a beautiful location. The weather certainly played its part too!

Mr Simon Scholfield (Head of Boys' PE & Games)
