

Ivan powers through for Yarnbury

Lockdown has been immensely difficult for our sporting stars however, things are beginning to look positive for grassroots sport as clubs are now back up and running.

In a truncated season, Yarnbury rugby club has continued to progress with Gateways very own Upper 3 pupil Ivan central to everything positive that they do. His ability to carry the ball up the pitch for his team has given them a solid platform on which to grind out positive results.

His coach at Yarnbury, Mr Simon Lowe said, "Quite simply, Ivan has been immense for us this season!"

We will certainly look forward to our very own competitive rugby fixtures in the Autumn term with Ivan's contributions likely to be pivotal to our success.

Well done, Ivan!

Mr Simon Scholfield
