

English Speaking Board's Level 3 Advanced Certificate of Speech

Congratulations to the 14 Lower 6 students who undertook the exam last week. The results arrived quickly, with a record 8 receiving a Distinction and all receiving a higher grade than 'Pass'. The exam involves a 5 minutes presentation; a 4 minute book recommendation and a 10 minute discussion chaired by each candidate on a newspaper article of their choosing. This is a difficult enough exam, but as 3 candidates had to attempt it via Zoom, the results were even more remarkable – well done everyone!
