

## Busy finish to the term for the U13 cricket team

The U13 boys are really beginning to find their rhythm with the cricket as they've managed to squash 6 fixtures into this half term alone! With every outing, the improvement in their bowling, batting and fielding is visibly noticeable and the return to a structured and competitive environment has galvanised the group and added an extra 20% to their game without question.

Their latest two fixtures saw the visits of Pocklington (last Thursday 1<sup>st</sup> July) and, more recently, Cundall Manor on Monday. We will also have played host to Ackworth by the time this newsletter goes, out on the penultimate school day of the year.

The group, for a relatively inexperienced bunch (when it comes to cricket) have applied themselves superbly well. Special mentions must go to our Captain, Jamie, and our vice captain, Dash. Their cricket knowledge has been invaluable over the past few weeks and has really helped the less experienced players gain a richer understanding of the game.

I would like to thank all those pupils who've taken part over the past few weeks and also thank the parents for their support too.

All that remains is for me to wish everybody a healthy and relaxing summer and we look forward to seeing you in the Autumn term!

Mr Simon Scholfield
