

Upper 3 Spanish in the sunshine

Upper 3 took the opportunity of the lovely weather to practise their Spanish outdoors. To sum up everything they have learnt this year, they prepared a variety of questions to interview other members of the class about themselves, their hobbies, where they live and school. They enjoyed having the chance to interview different members of the class, practising their Spanish and enjoying the sunshine. By the end of the lesson, they were all much more confident with their pronunciation and were more fluent in their answers.

Well done Upper 3!
