

Upper 3's first week

As an Upper 3 form tutor it is always a pleasure to welcome pupils into High School. Over the past week it has been lovely seeing how they help one another and have now started to form new friendships. In just the space of one week their unique personalities have started to emerge and they have made me smile on a daily basis.

In PSHE they each wrote a letter to both Ms Rayner and me. The letter told us about how they felt their first week had gone, here are just a few comments from Upper 3G:

'The first week here was wonderful. I was a bit lost at first, but my classmates guided me to every class. I hope I will have a phenomenal time here!' – Adrian

'My first week has gone great and I have made lots of new friends. I was scared at first because I did not know anyone but I have had lots of fun' – Holly

'My first week at school has been amazing. I like all my new lessons and teachers. The new lunch hall looks amazing, it's completely different. My favourite new lesson is chemistry' – Zac

'In my first week of Upper 3 it has been amazing. I like my new teacher and my new friends. I have surprisingly learnt some pretty cool stuff' - Lucas
