

Counterpoint sing 'The Rose'

It has been lovely to get back to lunchtime rehearsals with *Counterpoint* this half term and welcome new members to the group from Lower 5. This half term the choir has been learning one of my favourite songs – *The Rose*. We would have loved to have performed this in assembly to the school but it was sadly not to be, however forms watched our performance during form time on Thursday morning and were greatly impressed with the beautiful harmonies *Counterpoint* create.

You can see a recording of our performance by clicking on the link below:
