

## Lower 5 charity event : bake off and pie throwing

For our Lower 5 year group charity event this year, we chose to have a *Gateways Bake Off* and *Pie the Teacher* competition. The money which we raised will be going to the charity 'Make a Wish', which helps children who are severely ill have or experience something special.

The Bake Off took place on Wednesday afternoon. Mrs Hamlyn, Mrs Wilson, Mrs Holmes, Mrs Haynes, Mrs Titman, Miss Rayner and Mrs King all volunteered to bake and were very competitive! We had a selection of different cakes which all looked very good and were sold to raise more money on Thursday. This was all filmed so there was a video for everyone to watch on Friday afternoon.

We wanted to create a lot of fun for the end of the half term and so our Form Tutors asked teachers if they would be willing to be pied for charity. During break times, we tried to raise as much money possible as pupils put money in the chosen jar for the teacher which they wanted to be pied. We then said that if we raised more the £50 they could pie the top 3 teachers! So the teachers had to wait with their classes on Friday at 3.40pm to see if they would get pied!

Thank you to all the teachers who took part and to the people who donated, as this would not have been possible without you all. We had lots of fun doing this and look forward to more events like this in the future.
