U15 Netball vs Allerton Grange

Gateways 36-3 Allerton Grange

The U15 Netball team continued their positive start in their second match of the season. We had control of the game from the very first whistle with some great turnovers on the oppositions centre pass. The girls managed to link together to get the ball down the court quickly to reduce the opportunity for the opposition to stop them. By the end of the first quarter, the girls managed to gain a 12-0 score line that they continued to build on throughout the game through some fantastic shooting and great team defence work by all the girls. During the game, we managed to adapt our play so we were protecting the ball on our centre pass and scoring on the oppositions centre pass to run out 36-3 winners of the game. A fantastic game by all with Colleen Ray being awarded opposition player of the match.
