

U13s finally play in their first match v Silcoates in epic battle!

It's been a frustrating start for the U13s as they've already had two matches postponed due to Covid-19 situations however, on Thursday, their competitive season finally got under way in a superb couple of matches versus Silcoates.

The U13As lost out 3-4 despite showing glimpses of just how good they could be. Inexperience at the breakdown proved costly but they'll learn from this experience and come back stronger in their next match.

The U13Bs played superbly well and were the best side in the first half of their encounter. Unfortunately, a last gasp try in the first half followed by three more in the opening 8 minutes of the second knocked their confidence. I'm pleased to say that they then rallied and grabbed a try back and almost scored a second in the dying seconds however, the score finished 1-4 to Silcoates.

For some, this was the first attempt at competitive rugby and for most it was their first match in nearly two years. For that reason alone, the boys can all be proud of themselves and they'll dust themselves down and go again versus Castleford Academy next week!

Well done to you all!

Mr Simon Scholfield
