1st November 2021

U15 Netball v Wakefield Girls High School

Gateways 37-28 Wakefield Girls High School

The U15 Netball team played the second match in the Sisters in Sport tournament on Monday. We travelled to Wakefield to play and knew the ability of only a few of the opposition. The girls went out strong from the first whistle and got a few early goals as did Wakefield. Both attacking teams were excellent and as soon as the ball had left the centre third it was almost certain that both teams would score goals. Gateways finished each quarter ahead of Wakefield because of some super turn overs by Elle Johnson in the goal third and by Lucy Dyer in the centre third. Accurate feeds into the circle provided Izzy Dyer and Millie Edge with many chances to shoot from a range of positions. Izzy Dyer scored all but one of her attempts, which is an amazing statistic. The whole team worked together and the more games they are playing the better they are getting. Izzy Dyer was named player of the match as voted by the opposition, well done girls!

3rd November 2021

Senior Netball v Woodhouse Grove School

Gateways 22-8 Woodhouse Grove

The Senior netball girls started off their season with a home game against Woodhouse Grove. From the first whistle, the girls managed to take their centre pass straight to goal and then turn over the opposition centre. This set the tone for the match before a rocky 3rd quarter where fatigue played a large factor as for some of the players it was their first competitive netball game in 2 years. However, Gateways were always ahead with some great defence by Lucy Falk, Elle Johnson and Lucy Dyer keeping the opposition to no more than 3 goals each quarter. Turnovers were often taken through the court with good control of the game by Alesia Teoli at WA. The Seniors worked well together to continue to add goals to take the win. Taliya Murray was voted opposition player of the match.

Mrs Laura Braithwaite & Miss Jade Preston
