### Friday 15<sup>th</sup> October U11A v GSAL & Hymers

Building upon the previous week at Terrington, the U11s travelled the short distance to GSAL to play GSAL and Hymers in a triangular tournament. Up first were Hymers. Conceding two tries in the opening two plays of the game, we knew it would be a tough task. The boys stuck to their task well though and came back strongly in the second half eventually losing the game by 6 tries to 3. Up next were GSAL B. This was a much more cagey affair with both teams performing well. Gateways were just a little bit stronger though in their ability to finish and they eventually won by 3-2. Finally, they played GSAL C team. The performance was dominated by our boys and saw them run out 6-2 winners and a really pleasing way to finish the half term given the amount of practice and effort that went in over the 6 weeks. We look forward to 3 more fixtures after half term before turning our attention to hockey and football.

Friday 15<sup>th</sup> October  
U11A&B Hockey v GSAL

It was a lovely, sunny afternoon to finish the half term and just a short hop down the road for the U11 girls. The A team performed superbly well. The opposition scored an early goal and the girls can count themselves unfortunate they didn't score themselves as they counter-attacked on several occasions but to no avail.

The B team were a little over-powered however, they grew into the game and the experience they will have gained on the turf will stand them in good stead for the challenges that will follow in the second half of the term.

Well done to Player of the March, Aggie as well as Honor and Caitlyn who were also singled out for particular praise; well done to all, it was a good performance all-round.
