

## The Chicago experience

Last week, 11 girls from Key Stage 4 and Sixth Form performed a school's version of Chicago to audiences full of family, friends and teachers. It was our first time performing in the PAC since the pandemic, so we were all so excited to present our hard work to everyone.

We started rehearsals for Chicago in the summer of last year. Every Wednesday after school and Tuesday lunch time we rehearsed the dances and scenes. We all had so much fun learning the material and it was also a great opportunity to become friendlier with girls from other years throughout the school.

So much hard work was put into this show, with lights, sound, set and working with an incredible live orchestra. Overall, the experience was amazing and we hope that everyone who watched the show will agree that our hard work paid off.

The whole cast of Chicago want to say a huge thank you to everyone that was involved in putting the show together, especially Mrs Hamlyn and Mr Lenihan who made it all possible.
