U14 girls hockey team defeat GSAL 2-1

On Wednesday, the U14s defeated a strong GSAL team 2-1 after a fantastic performance in the cold and the rain. Despite being only the third time we have been able to play on the astro this year, our girls showed much greater teamwork than their opponents and produced some wonderful passing moves. All of the girls involved showed maximum effort and responded perfectly to the tactics I gave them. They fully deserved their victory. Those involved were: Leah, Summer, Adina, Jemima, Nellie, Iris, Mya, Mia, Amelia and Maddie.
