

## YETI discovery

Congratulations to the YETI club Upper 3 members, they did it! As members of YETI club, the students are required to work towards the John Muir Discover Award, and we are pleased to announce that they have all successfully completed this! To achieve the award, they were faced with numerous tasks, including a logbook to record their progress. The four main parts of this award are:

- Discovering a wild place
- Exploration
- Conservation
- Sharing this with others

The students really thrived and were committed to earning this award week in week out, in all weathers. Well done Upper 3 YETI!

We look forward to seeing them successfully complete their next John Muir Award at the end of this school year.

Mr Jarrod Dixon
