9th December 2021 U15 Netball vs Queen Ethelburga's Gateways 34 - 10 Queen Ethelburga's

The U15s played in Round 3 of the Sisters in Sport Cup. The girls really took on board the last few weeks match play learning experiences and used the different tactics to overcome Queen Ethelburga's. Izzy Dyer and Millie Edge controlled the shooting circle to use preliminary movements to get around the opposition defence and receive the ball uncontested before finishing their shots cleanly. Sienna Cooper, Chloe Brogan and Elle Johnson worked together to turnover more ball which increased the chances of winning the match. Jemima Land stepped up an age group to help the U15s in the midcourt and man to man mark her opposition player. Every player worked hard on defence and attack to make sure they had lots of options which reduced the unforced errors and helped the girls get the ball to goal and win the game. Opposition player of the match was awarded to Izzy Dyer.
