Thursday 13th January 2022

U13 Football v Terrington Hall PS

Lost - 2-4

The U13s travelled to Terrington for their first football match in High School and the excitement on the bus on the way there was palpable!

Gateways took the lead early on with a thunderbolt of a strike from Jack Cobbald. Despite this, Gateways found themselves 2-1 down at the interval in a match that had ebbed and flowed throughout. Two quick strikes from the opposition in the first five minutes appeared to have knocked the stuffing out of our boys however, they came back strong. But for the brilliance of the opposition goalkeeper and a bit of wayward finishing, it could be argued that Gateways could, and should, have won this match.

Their resilience and determination was rewarded with a goal five minutes from the end but, alas, 4-2 it remained until the final whistle.

The team can be proud of their efforts and the contest was a very even affair. The passing and willingness to look for each other was evident throughout and they will develop into a very good team in the weeks, months and years to come.

Mr Simon Scholfield
