

Meet the Music Department

Do you know that along with Mr. Lenihan and Mrs. Coates, we have nine other music teachers who visit Gateways school each week teaching singing, cello, piano, flute, trumpet, piano, electric guitar, bass guitar, drum kit, classical guitar, clarinet, saxophone, violin and viola!

You can find out about each teacher on our *Meet the Department* page on firefly:
<https://gways.fireflycloud.net/music/meet-the-department>.

You can also find the form explaining how to join over a hundred over pupils who are having individual music lessons weekly at Gateways here:

Above is a collage of all the visiting peripatetic teachers. Can you name them all?
