

Sports Report (BOYS) W/C 7th February 2022

Monday 7th February 2022

U14 Basketball v St Aidan's

Won 25-21

This was an excellent contest from start to finish as the game ebbed and flowed with both teams enjoying periods of superiority and both finding themselves under extended periods of pressure.

It was Gateways who eventually won the spoils thanks to a well taken lay-up by Jamie Cooper and a fantastic 3 pointer from Tom Newdall.

Credit must go to the opposition too as they played more than their part in a hugely entertaining contest full of quality and incident!

Thursday 10th February 2022

U13 Hockey v St Olaves

U13A - Lost - 1-5

U13B - Lost - 0-2

Two defeats, on the face of it, looks like it might be a little disappointing however, these two results were quite remarkable considering that, for 50% of the group, it was their first hockey match in two years, and for the other 50%, it was their first hockey match...EVER!

Unsurprisingly, the second half performance from both sides, was better than the first half with A team winning their second half by a solitary goal however, the most pleasing aspect was that there were so many positives for this novice group of players to work upon.

Well done, to everyone!
