

It's all about 'Cake Friday'!

I am incredibly lucky to be an Upper 5 form tutor. Not only are my tutor group kind and funny, 'Cake Friday' is a highlight of the week! We have all tried to make cakes but Sadie (and her mum) put the rest of our baking skills to shame. Every week we are treated to home made delights and Sadie then shares the 'extras' out amongst her teachers. I'm not quite sure what I will do next year when she is in the Sixth Form!
