

Sports Report (BOYS) W/C 28th February 2022

Monday 28th February 2022

U14 Football v Read School

Lost 2-6

A 2-1 victory in the second half of this fixture was testament to the resolve of our U14 boys as they took the majority of the first half to find their feet.

At 5-0 down, they could have been forgiven for letting their heads go down however, far from it being a damage limitation exercise, the team showed exactly how they could compete and play and, should this match be replayed at some stage in the future, I've no doubt that the result would be quite different.

Well done to all the boys who took part.

Wednesday 2nd March 2022
U13 Junior NBA Basketball
Gateways 23 – 10 Bishop Young
Gateways 26 – 18 St Aidan's

Another superb effort from our talented U13 basketball team as they scored another two victories to make it a perfect 6-0 record in the junior NBA so far this season.

They started a little slowly versus BYA however, once they got into their stride and the first points dropped, they never looked back.

Provided they maintain their discipline, they should qualify for the next stages of the competition after Easter!

Well done to all those who've taken part.

Thursday 3rd March 2022
U13A&B Hockey v Silcoates
U13 A - Lost 1-4
U13B - Won 2-0

Another superb performance from the U13 boys as they continued their development, this time versus two full strength sides. A combination of our Upper 3 and Lower 4 took on their Year 8 boys with the spoils shared.

The B team won their encounter whilst the A team, after a shaky first half, tied the second half 1-1 thanks to increased effort and discipline and also thinking more tactically too.

Well done to all the boys who took part. We look forward to our next match and further improvement!
