Thursday 21st April 2022

Basketball v Ralph Thorsby

U12 – Lost 6-14

U14 – Lost 14-19

The U12 and U14 basketball teams took to the court last Thursday and faced really tough tests to start the summer.

The U12s played out a superb contest in a game that ebbed and flowed with both teams having periods of ascendancy. Ultimately, the difference between the two teams was finishing. The Ralph Thorsby outfit were clinical in their ability to lay up the ball whereas our boys were less so. It's definitely a crucial area of the game to work on in the coming months.

The U14s have made it through to the Leeds League finals and this match was an indicator of what they need to do to be crowned Leeds District champions. We were missing a couple of key players however, Ralph Thorsby, a bit like their junior counterparts, were clinical in the crucial areas and we'll need to be on our game in three weeks to be successful. That said, the signs were good and we've got the quality to beat anyone!

Well done to all who took part!
