U14 Basketball v King's Pontefract

Gateways 50 – 12 King's Pontefract

This was a superb match from our talented U14s as they cruised past Pontefract. Every player contributed to a complete team performance as they controlled the game from start to finish.

In the coming weeks, the boys will have sterner tests and they will have things that they want to work on however, this was a really good start for them going forward.

Well done to all those who took part.

U16 Basketball v North Leeds Tournament

Gateways 8 – Allerton 34

Gateways 31 – Wetherby 14

These were two excellent performances from our U16 boys (who are actually all U15!) with two very different results. Working tirelessly versus Allerton, they lost out to physicality and a year's experience. That said, Allerton are a quality outfit and were deserved of their victory.

The stern test in their opening match meant that they went into the second match playing at a pace and tempo that Wetherby simply couldn't live with. One or two of the Gateways lads had stand-out performances however, this was a team performance where, to a man, everyone worked with 100% commitment.

Well done to all those who took part and we look forward to our next fixture!
