

Performance masterclasses

With the excitement around our school production of 'Moana' last term being replaced with the post-Christmas blues, we in the drama department thought we needed to offer a new opportunity for the Upper 3s, Lower 4s and Upper 4s to explore new performance styles.

These masterclass sessions will take place on Wednesday after school, 4pm to 5 pm, for up to 9 weeks leading to an exciting new staged performance. It is a perfect opportunity for any pupil who aspires to a life on the stage!
