

Friday night is music night!

On Friday after school, we had our third 'Friday night is music night' concert. These concerts occur every half term and are an opportunity for soloists and ensembles to perform in front of an 'adoring' audience (family and friends)!

We heard seventeen lovely performances from Maya, Arjun, Sebastian, Ruby, Ivy, Sophia, Arabella, Emilia, Sophia, Ashwin, Alina, Lottie, Sophia, Rina and Tahlia, Warren and Taiqiao. Scroll down for more photos.

I'm looking forward to the next one on the 24th March already.
